July 13, 2014 - Proposal for Fence Replacement

Cinnamon Homeowners Association would like to replace the boarder fence around the HOA perimeter. We would like to do this in phases due to the expected cost. Depending on cost, its possible more than one phase can be done at one time.

Refer to the enclosed diagram of Cinnamon HOA for the 5 sections (Phases) that are marked. The measurements for each section are below along with the description. We are interested in wood, shadow box style type fence.

Description of Sections

Section 1

South side of Bernard Blvd bordering Circle 4. The west end has a painted marking on the fence. Total Length 353 feet. Red paint marker on fence/ground at each end.

Section 2

South side of Bernard Blvd bordering Circle 3, ending in entrance to Circle 1. Total Length 509 feet. Red paint marker on fence/ground at each end.

Section 3

South Side of Bernard between entrance to Circle 1 and University. Single house fence. Total Length 87 feet. Red paint marker on fence/ground at each end.

Section 4

West side of University between Bernard Blvd and Miramar Blvd (less the chain link fence at the corner of Miramar Blvd and University. See Note 1 Total Length 392 feet. Red paint marker on fence/ground at each end.

Section 5

North side of Miramar Blvd from the chain line fence at the corner of Miramar Blvd and University to the Marker at the western-most end of Cinnamon HOA. Total Length 752 feet. Red paint marker on fence/ground at each end (western most end is also marked by a telephone pole (paint marked also).

Grand Total Linear Feet: 2,093 Feet *See Next Page for Diagram of Property and Sections*

Note 1: The Chain Line Fence at the corner of University and Miramar Blvd is City Property and we will NOT be replacing this fence. It will remain AS-IS.
